

Winter Warmer Hampers

The day finally arrived, and excitement filled the Grade R classroom, as we entered with an assortment of colourful Winter Warmer Hampers. Each child was given an individual hamper with their name on it, filled with goodies to make their winter warmer. The gratitude from these little people was tangible and it was an absolute blessing to witness. **THANK YOU** to all those that contributed, our knitters, seamstresses, packers, photographers and of course our amazing sponsors. WWH - R100, seeing these children open their special gifts - priceless!

Training...We have been able to send three of the The Ark creche teachers to the Basic Educational Child Development Course, run by the Masikhule organisation. They had a fantastic time and have already started applying practical lessons they learnt into their daily routine. Additionally, we have sent 4 of the Ark foundation-phase teachers on a Paediatric First Aid training course, run by Educare in SSW.

Our new OT and her office

We are so excited to introduce Philippa Loots to you, our new occupational therapist, who will be doing therapy with the grade R learners that require additional learning, development, and psychosocial support. We would also like to thank **Greenco Projects** for donating a beautiful container where we will be carrying out the children's therapy. A much needed space to call our own.

Mandela Day: 18 July 2015

Last year saw us collecting 67 baby toiletry items for those in our care. This year we aim to collect **67 books** for the Grade R's classroom library. So whether new or used, start getting your books ready for drop off. A flyer will circulate shortly with more information.

MySchool

MySchool continues to bring in a steady flow of donations from you our faithful shoppers, R995.79 was last months total. So thank you to those that support our cause and to those that have not yet registered, it's as easy as:
