

WHAT LOVE CAN DO.

JANUARY 2011 NEWS LETTER

Committee

- I officially have six days left of working full time at Victoria Hospital. Thereafter I will be working as a sessionalist Occupational Therapist twice a week at Victoria and will be running the home the rest of the week. My contracts for the sessionalist posts are all falling into place and it has been a blessing to see God provide for us financially.

Praise

- Have been given a laptop! What an answer to prayer. This will greatly assist in the effective and professional running of Nthando Home.
- We have also been given several other office supplies, which will furthermore assist us in functioning optimally.

Prayer Requests

Continued prayer for funding for a

- **HOUSE,**
- **VEHICLE** and
- **FINANCES** to fund **salaries.**
- Special prayer for **Godly house parents**, with a passion for children.
- **FUNDERS:** We are still awaiting a possible visit from a Swiss (Raising Seeds) in 2011, please keep this in prayer.

WHAT LOVE CAN DO.

Please also keep Ty and I in prayer as we venture into this new chapter in our lives, both exciting and challenging. Please keep me and the committee in prayer as we continue to build bridges and network in and around our community.

If you, or anyone you know, has space for us to store clothes, household items and toys PLEASE let me know, as many people have been so generous in donating and offering these items, but unfortunately we have nowhere to store them at present.

It is such a blessing to know that we have your support in this vision God has laid on our hearts, a burden we as the church are called to carry together.

God bless and thank you again for all your support!

Caraleigh Otto

Director / Occupational Therapist
