May has come and gone, and things are going well at the Home

After the busy month of April, things have been settling down to a routine at the home. Our new house mother, Trudy, has settled in well with our first baby who is now five months old. Here's a sneak peak at her:

She is a happy, thriving baby and we love having her.

We are in constant communication with the department of social welfare, and are expecting three more possible placements in the next month.

Christmas in June Market

On Friday the 21st June, some of our ladies (and girls) helped sell our Nthando Teddies as part of the Somerset College Prep Christmas in June market day.

Thank you to our lovely volunteers, as well as those who supported by buying teddies.

100's of 100's campaign

We wanted you to be the first to know about our **100's of 100's campaign**.

What it is about is asking people to be Champions for Nthando Home of Safety.

We are asking people to commit to donating R100 to the home on a monthly basis.

If we can get 100 people to donate R100 monthly, we can continue to provide the children at the Home with everything that they may need. Help us by telling your friends about the campaign, and join in on being part of the Nthando Family.

100 100s

What is 100 100s?
If one person takes it on themselves to donate a monthly R100 to Nthando, and we can find 100 people willing to join that person in giving, we can raise R10000 to run our home of safety each month

What is Nthando?
Nthando is a Home of Safety based in Somerset West caring for abused and abandoned children (0-5yrs)

Bank Details:
Bank: Nedbank
Account Number: 1060276356
Branch Code: 106012
Reference: 100's & your name

How can I help?
Be one of our 100 100s Champions, donate R100 each month to Nthando, and ask your friends, family and colleagues to do the same

Let's join together to see *what Love can do*

www.nthandohome.co.za

Volunteers

Want to get involved? Email: mast.emily@gmail.com (please note that all volunteers who want to work directly in the Home must have police clearance).

Needs

We are still looking for a **family car** with which to drive the children around to playschool, doctors and therapy appointments. If you know of anyone who is willing to donate, please email info@nthandohome.co.za. Funding is still our greatest need and one of the easiest ways to support us. Prayers, hugs and words of encouragement also work well.

Story Corner

This is a new feature on our newsletter. Each month we will bring you the testimonies of our kids. The first story belongs to baby Noel*

Baby Noel was the first little blessing to live at Nthando Home of Safety. She was placed with us as soon as we opened our doors because the home of safety she was at was too full. She was found abandoned in a parking lot behind a well-known shopping centre in the area, in the baking

December heat. Noel was registered as a special needs baby when she arrived at four months of age. She was diagnosed with multiple developmental delays including neurological, visual and audio fallouts.

After ten months of being in a loving and caring environment, along with Occupational Therapy assessments and home programmes, Noel began to show drastic improvements in these areas, developing into a happy, healthy and normal baby girl. After staying at Nthando for ten months, Noel is now living with her prospective adoptive parents. We thank the Lord for His provision and plan He has for her life.

Prayer and Praise

- * Please keep our staff in prayer, as they do the hard ground work of caring for our little ones.
- * Continue to pray that God would place the right children in our Home at the right time.
- * We thank God that our little K is doing well in her new home and that she is well.

*Thank You for your constant support,
from all of us at Nthando Home Family, God bless*
