

WHAT LOVE CAN DO.

OCTOBER 2011 NEWS LETTER

Update

Greetings friends! We have had a very exciting month at Nthando! Firstly, after much research and prayer we have found our house parents. House parents are the building blocks of a safe home, as the name describes they fulfil the important role of loving and caring for the children.

Other exciting and related news is the possibility of a house. Our director has been to inspect it, and it is suitable for our requirements. It would be an absolute blessing to see it come to fruition!

Finally, we have received roughly R15000 in donations and support over the last month with which we can start preparing to open the home. Thank you to everyone who has aided in this.

This past Sunday, 06 November, was Orphan Sunday. Go check out the video on our facebook page: <http://on.fb.me/sXud3J>. Did you know that there are an estimated 14 million AIDS orphans in Sub-Saharan Africa (a number higher than the total of every under-eighteen year old in Canada, Norway, Sweden, Denmark, and Ireland combined). It is important to take initiative to make a difference in these children's lives

Praise

From the above information, you can see that we have a lot of praise to give to our Heavenly Father who, in His lavish love and grace, has been providing for and blessing us in ways we could never imagine!

WHAT LOVE CAN DO.

Prayer Requests

As always we ask for continued prayer for wisdom and guidance from God as we seek to be His hands and feet.

We also ask prayer for continued funding to come through, especially as we will soon have staff that will need to be paid.

On that note, please continue to pray for the securing of a house, as mentioned above, as well as the other positions which still need to be filled within the organization:

- Relief House Parents
- Full time and a Relief Domestic Helper

REMEMBER:

If you or a company are interested in supporting us financially, please email Caraleigh (caraleigh@nthandohome.co.za) and she can forward you a proposal. If you are an individual donor, you can receive tax benefits and if you are a corporate donor you can receive tax benefits and BEE points.

Be blessed,

Nthando Board
