Praise

We have the opportunity to be beneficiaries to the annual Soccer Clinic that the Somerset West Baptist Church is running, on the 5-7 April 2011. We are hoping to raise awareness in our community by having the press join us, as well as explaining our cause to the children attending the clinic and their parents.

We have been so encouraged by Gods hand of provision in this last month and we continue to give Him all the praise for his faithfulness.

WHAT LOVE CAN DO.
