Amazing April

Nthando
HOME OF SAFETY
WHAT LOVE CAN DO.

An Amazing April has come and gone. And we have been so blessed by ongoing donations, both financial and material. Our staff and kiddies are well, and are preparing for the cold winter months, by getting all the jerseys, blankets and winter slippers out.

Volunteers Tea: If you are currently a volunteer at Nthando Home, or would like to be a volunteer at the home, this tea is for **YOU**!

Please **RSVP by the 15 May 2014** to leentjie@nthandohome.co.za if you can make it.

Garden Equipment is needed to keep our beautiful piece of land in tip top condition. So if you have gardening spades, gardening folks, a wheelbarrow, gardening scissors, a rake, an outside broom or weeding utensils. Please feel free to drop them off with us, where we will give them a good home. Please contact Leentjie if you are able to donate: leentjie@nthandohome.co.za.

Who's in the Home? Our three little princesses are still with us and are doing very well. We have had several "almost" placements this month, but at the last minute a family member or mom has been able to make a plan, and avoid having their child removed. So as much as we want to fill our beautiful home with kiddies, we thank God that we are not having to remove kiddies from their families, but that Social workers are able to assist them where possible.

MySchool, is still an amazing way for us to raise funds for the running of Nthando Home. Every month we get in over R400 from this initiative. So keep on shopping and telling family, friends and colleagues to join the cause.

Thank you to all our loyal volunteers who sacrificially give of their time weekly to love our kiddies, we are blessed to have you. **Thank you** too, to those that have given financially and practically, we are always blown away at Gods provision.
