

WHAT LOVE CAN DO.

April / May 2012 NEWS LETTER

Update

We would like to welcome our very first baby girl arrived, who arrived on 27 April 2012. We found it significant that this little five month old arrived timeously on Freedom Day! She is currently 2 teeth richer and absolutely loves the attention she is receiving. Our second baby girl arrived shortly after that, in May. She is merely 6 weeks old. She loves to snuggle during the day, and at night she keeps mom and dad on their toes with the pyjama drill. They are both true bundles of JOY.

Praise & Thanksgiving

All glory, honour and praise to God for bestowing favor on us to welcome these two precious little babies at Nthando Home. We give thanks to God for their health, their physical growth and for the love and care that they are receiving from the Carroll family. A special thanks to those that have generously given donations. Your giving allows us to carry on the work that God has called us to. We want you all to know that we appreciate **you**. Our prayer is that God will pour out a harvest of blessings upon each of you and your families.

Proverbs 11:25 "A generous man will prosper; he who refreshes others will himself be refreshed"

- The children that are placed with us: that we will give them the best love and care possible and that a good relationship would be fostered between us and Social Welfare.
- Finances: This is a continual need, and God continues to provide
- A vehicle: This is a very current need (any family car would be appreciated)
