First Quarter News

The first term has been a busy one. With many changes and adjustments for both the learners and the staff. The Ark school has a new Grade 1 and Grade R teacher, who are settling into the daily hustle and bustle of the school well. A speech therapist has also joined our therapeutic team, making us a team of three therapists weekly attending the school. We look forward to what term 2 has in store.

Highlights From The First Quarter

We had our annual Easter event with the Grade R, 1 and 2 learners again this year. This event is always a highlight for the learners, as they get to hear the Gospel message and have an Easter egg hunt. It is a blessing to be able to share God's love with this special group of children. Thank you to all that were involved this year.

GRADE R & GRADE 1 LANGUAGE WORKSHOP

We had just over thirty parents attending our Grade R and Grade 1 language workshop in March. It was a great opportunity to engage with the parents and teach them the importance of reading, listening and talking with their children. Thank you to Benita, our new consultant speech therapist, who ran the workshop.
