## What does 2016 hold for Nthando?

This year Nthando is continuing our partnership with The Ark City of Refuge in Mfuleni. We will be taking on the creche (18 months to 5 years olds), the Grade R and Grade 1 class. We will be training all relevant teachers and assistants in this age group in basic Early Childhood Development (ECD) and paediatric first aid. We are also hoping to run several parenting workshops with the parents of the children in these age groups. We have some exciting events planned for this year and look forward to sharing them with you as the year unfolds.

Our first fundraising and awareness creating initiative is called “**SKIPPING**”. This initiative was launched at the beginning of the school term at the Somerset West Baptist Chursch Sunday school. Each child received an empty money tin, which they were tasked to fill with money they receive from choosing to “skip” a treat, an outing, or a luxury. At the end of term 2, we will gather all the tins, count the money raised and put the money towards a tangible item the children at The Ark School need.

# SKIPPING

## MySchool

December saw us reach our highest Nett profit yet, a total of R1327.49. To date you have helped us raise just under R18 000, by adding us as your beneficiary and swiping your cards. Thank you and well done! Remember you can swipe your MySchool card at **Woolworths, Tafelberg Furnishers, Toys R Us, Engen One- Stop and Waltons.**

## Photoshoot

We had the privilege of meeting with **Fleetingtime Photography** who donated their services to us by capturing some beautiful photo's of the children we are working with at The Ark School. Thank you for your time and effort, the kids loved the experience.

We look forward to sharing this year with you.
