

WHAT LOVE CAN DO.

## March 2012 NEWS LETTER

### Update

Nthando Home of Safety officially opened its doors on the 9 March 2012!

Thank you so much for joining us on our special day!

An especially huge thanks to everyone who helped set up, get ready and clean up. Those who brought chairs, tea cups and who cleaned the house beforehand, thank you.

Also, we would like to welcome Letitia Fisher onto our staff, she has been appointed as our part-time general manager,.

### Praise

We are so amazed at God's grace, that the house has finally been opened! We praise Him for seeing His will be done in our lives and through the home. We praise Him for the fact that we could have an open day, and such a special one at that. We are also continually grateful for everyones ongoing generosity towards the project so that the home can function.

### Prayer Requests

Thank you again for all your generosity in prayer, faith and finances. It is remarkable to witness the power of prayer that has been realized through this project. Below are our prayer points for this month. Let us continue to be faithful, knowing that God diligently rewards those who seek Him.

WHAT LOVE CAN DO.

Please continue to pray for:

- Gareth and Bev and Luke – our “house family” they need support and prayer to run the home with joy and wisdom and strength, please keep them in your prayers always.
- The children that are placed with us - that we will give them the best love and care possible and that there won't be issues with social welfare.
- Finances - always a need that we trust God to provide for every month
- vehicle - this is currently a huge need (it does not have to be an 8 seater but we need something to carry the kids around in)

We look forward to having you join in on our journey this year, an exciting road lies ahead.

Be Blessed.
