

A Happy Second Birthday to Nthando

Home. We thank God for sustaining us through 2 years, and for every little life that came into our home and into our hearts. We have had the opportunity to look after 15 children in the past 2 years, and we now have 3 more little lives to care for this year so far. On that note, our three little ladies have settled in beautifully and are doing well, thank you to all those that donated clothes, shoes and toys for them. Now that we are approaching the chilly months, our little ladies are needing slippers, night gowns and some cozy winter accessories. If you would like to make any donations, please contact our general manager, leentjie@nthandohome.co.za.

Thank you to those **volunteers** who have slotted into a roster for this year. We trust that you will be blessed to serve in this capacity. If you are interested in volunteering, please email leentjie@nthandohome.co.za.

Training. Privilege, our full time domestic carer has had the opportunity to go on an Early Childhood Development course through MASIKHULE CHILDCARE. She absolutely loved the experience, so much so that we are sending her on the follow up course in April 2014. Thank you to our funders for your generous donation to fund these courses.

MySchool, has been an amazing way for us to raise funds for the running of Nthando Home. In December 2013, we received over R700 from you adding us as a beneficiary. Well done. Keep on shopping and telling family, friends and colleagues to join the cause.

Prayer items, for our three little ladies (and their family), for our staff, for our networking with Social Development Department, for our dedicated volunteers and for continual wisdom for our management team.
