

**Term 2** has just began and we are very excited for what this term holds for us and the beautiful class of Grade R learners we are working with.

We are looking forward to seeing some up-grades to the Grade R classroom and their playground, development and progress in the learners skills, and training for the teachers in the foundation phase this term.

## How can you get involved?

- Sponsoring the **Early Childhood Development training fee** for the foundation phase teachers (3-6 teachers)
- Contributing towards any of the following items: *please contact Caraleigh*

**Colourful classroom carpet; A4 coloured paper; Wooden tables and chairs; Sand pit toys; Water play toys; Grass for playground; Painting of playground walls; Playground equipment; Children's books**

- Once we have grass and playground equipment, we will need an enthusiastic team to get their hands dirty, clearing the land and planting the grass

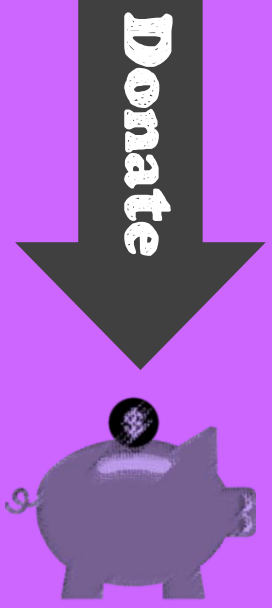

**How is your money being used?** The money we receive monthly from you our faithful donors, is going towards the up-grading of the Grade R classroom, training/courses for the foundation teachers, appointments for learners with private doctors, speech therapists, physiotherapists, audiologists (when necessary), and financing weekly OT and/or remedial sessions.

**Occupational Therapist / Remedial Teacher needed:** We are currently looking for a part time Occupational Therapist and/or remedial teacher to do weekly sessions with a group of struggling Grade R learners. 2-5 hours a week, hourly pay, sessions done at the school in Mfuleni.
