Winter Warmer Hampers 2016

This year we extended our winter warmer hampers from 28 children to 128 children, all of which attend The Ark School and crèche. We were overwhelmed by the generosity that each person involved in the project showed. Thank you to each person that gave financially and practically, and to those that spent their Saturday afternoon wrapping and packing hampers. Many hearts were made happy on the day they received their hampers.

How is your "skipping" going?

This initiative was launched at the beginning of the school year at the Somerset West Baptist Church Sunday school. Each child received an empty money tin, which they were tasked to fill with money they receive from choosing to "skip" a treat, an outing, or a luxury. Due to the levels of interest, we have extended this project until the end of the third term. The money raised will be put towards a tangible item that the children at The Ark School need. If you don't have a tin, contact us and we can get one to you!

Mandela Day: 18 July 2016

This year we are partnering with Tereo school to collect 67 blankets for the vulnerable children that attend their school. If you would like to be a part of this, please drop off a warm winter blanket at the Somerset West Baptist Church office during the week (8:30-13:00) or on a Sunday morning. Thank you for making a difference.

MySchool

For the last few months you have helped us raise just over R1000 each month! Thank you for faithfully swiping your cards and contributing to Nthando. If you are still needing a card or wish to change your card beneficiary to Nthando, please let us know and we can help you.
