

WHAT LOVE CAN DO.

AUGUST 2011 NEWS LETTER

Update

Dear friends, thank you for your continued support in this great adventure. At the beginning of August we held a presentation at the Baptist church (see below). On the 17th August Caraleigh attended the Arise Adoption Conference. Arise is a non-profit organization established in 2006, staffed by highly qualified and committed Christians wanting to make a strategic difference in our city. Arise's vision is to ensure the safety, stability and success of vulnerable children, through community-based interventions aimed at uplifting and empowering families. This conference was very encouraging!

We have also joined Connect Network, and NPO in Somerset West which seeks to connect all NPO's in the Western Cape as well as provide assistance and training to organisations.

WHAT LOVE CAN DO.

Praise

At the beginning of the month our Director, Caraleigh, did a presentation at the Baptist Church concerning Nthando Home. We have had an excellent response regarding financial donations as well as offers of practical services, skills, support and prayer. Thank you to everyone who has caught on to this vision and praise and glory to God for His provision!

We praise God continually for His own adoption of us as His children, and honor Him for walking this road with us as we seek to bring Him glory

Prayer Requests

We ask for your continued prayer for funding for a:

- **HOME,**
- **VEHICLE** and
- **FINANCES** to fund **running costs and salaries.**
- Special prayer for full time **Godly HOUSE PARENTS**, with a passion for children.
- **FUNDERS:** We are still in the process of liaising with various organizations regarding funding possibilities, please pray that God would open and close doors for us.

Please keep our growing **COMMITTEE** in prayer as we continue to seek Gods will, guidance and wisdom through the management of the Home.

Thank you again for all your support.

In Christ,

The Nthando Committee
