

WHAT LOVE CAN DO.

JULY 2011 NEWS LETTER

Update

“We are not after charity, we’re after justice” – Bono (U2)

Greetings friends! We are looking forward to an exciting new season for Nthando Home of Safety as we begin looking for people to fill our positions at the home. We have been seeing God move in exciting ways for us and thank you again for your continued support in prayer and thought.

We are planning on having a **prayer week** this month. It will take place between the 22-28 August (see below). This is an opportunity where we all get on board and pray for the same topics at the same time, crying out to God for more of His faithfulness and provision. See the prayer list below for the topics.

Praise

We give praise to God for all the exciting opportunities we have been presented with, including going on the Arise Adoption Conference and favor amongst churches in the community who are showing an interest in the cause we represent.

Also for a great response to the funding presentation we did at the Somerset West Baptist Church on the 7 August 2011.

Prayer Requests

- Prayer for Caraleigh who is attending the Arise adoption conference, 17 August 2011, that all will go smoothly and that we will acquire many important skills to use in the organisation.

WHAT LOVE CAN DO.

- That we will be able to reach our financial goal by the end of the month.

A rough breakdown:

R53 331 will keep a child safe in our care.

R53 331 x 12 children per year = R640 000 running cost pa.

If you would like a detailed funding proposal, either for yourself or for a company or connection you may think would be interested in donating, please pop Caraleigh Otto an email.
