

WHAT LOVE CAN DO.

MAY 2011 NEWS LETTER

Update

- The HIGHLIGHT for this month, for myself and the board, was the NPO Management Course, held by the University of Stellenbosch. It was a five day course, covering topics such as financial management, labour law, marketing and fundraising, governance and strategic management, to name a few. It was great to get to know other NPO delegates from all over the country, and it was a fantastic networking opportunity. The skills learnt during this course will be, and are being, applied to our NPO, and we feel better equipped to manage this project effectively.

A very exciting time lies ahead of us, and we thank and praise God for this inspiration and for the endurance to pursue the vision he has laid on our hearts.
