

WHAT LOVE CAN DO.

NOVEMBER 2011 NEWS LETTER

Update

Dear friends! We hope you are all well and looking forward to celebrating the festive season with your loved ones! During this time, remember the One who is the greatest gift of all.

Things are moving thick and fast at Nthando, as we look to God for an exciting 2011. Over the past few months we have seen much money flow into this project from outside sources, for which we are exceptionally grateful!

One such donation was received recently by Caraleigh from Nedbank (see below). With this money we are looking to purchase or rent a house, which we will turn into a temporary home for our vulnerable children. We also have our house-parents and our Social Carer, which we are very excited about and thank God for His great provision!

God has been gracious in enabling a project like this to get off the ground, as there has been minimal bureaucracy that we have had to go through with the government in order to make this vision a reality.

WHAT LOVE CAN DO.

Praise

We praise God because He is opening pathways for us to follow His will. As you can gather from the above information, He is putting the right people and circumstances in our way, and we praise Him for all these amazing blessings and opportunities-particularly the opportunity to serve Him faithfully in this.

Prayer Requests

As always we ask that you will join us in praying for the following points below. We also want to add a request: we have a potential funder in Switzerland. Please petition God for His provision in this, even as He has provided for us throughout this endeavor.

Thank you for your faithfulness and persistence in this matter. Please keep our committee in your prayers, as we seek Gods wisdom and guidance as we make decisions and plan ahead.

We ask for prayer for the following:

- House
- Staffing, appointing the right people
- Wisdom in seeking Gods guidance

REMEMBER:

If you, or any companies, are interested in supporting us financially, please email Caraleigh (caraleigh@nthandohome.co.za) and she can forward you a proposal. If you are an individual donor, you can receive tax benefits and if you are a corporate donor you can receive tax benefits and BEE points.

May you have a blessed Christmas season with your family and friends, and may 2012 welcome you with Gods unlimited Peace and Grace.
