April was a busy month

As many of you will know, April was a busy month at the Nthando Home. By God's grace, along with all our helping hands and volunteers, the home was finally completely revamped and made ready for our new inhabitants.

We celebrated Nthando's first birthday at the beginning of the month with a baby shower at the newly refurbished home. Thank you to everyone who joined us to celebrate this milestone, and who helped cater and clean!

At
of i

Trudie Jacobs. We look forward to a year of life-changing moments for the children in our community.

On that note, we would also like to welcome the first Nthando Baby for the year, little 4 month old Kiara is now in the care of the Home.

The board would also like to welcome Rob Jones Jnr to Nthando Home of Safety. As our newest board member, we look forward to the contribution you will make to the home.

The Grace of God

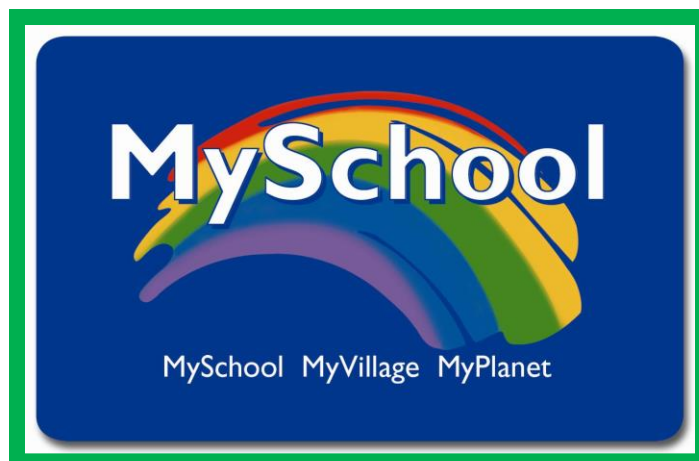

We have been continually wowed by God's favour and grace in this journey. It is a privilege to be able to do the work he has called us to do: caring for the vulnerable. We pray that He will use us further every day to help those in need and live lives that please him. Thank you for all your continued prayers and support.

Volunteers

If you indicated that you would like to be a volunteer at Nthando Home, you should have received an email explaining that we will be having a meeting in the next week or two, where you will be able to place your name on a roster of when you are available to come and share some love, cuddles and stimulation with the kids. If you have not received this email, or you are interested in volunteering, please contact Emily, at mast.emily@gmail.com

Needs

We are looking forward to having a house full of children again, but this means that we need to be able to transport them to and from school, doctors and therapy appointments. If you have a spare **family car** and feel God nudging you, please feel free to contact us.
