

October update: A New Chapter

A new Chapter is starting at Nthando Home, and we are so excited for what God has in store for us in the months ahead. We have identified a group of vulnerable children in an area close to Somerset West, that needs additional support and services. We plan to visit this area in the next few weeks in order to see exactly how we can build into their little lives. So WATCH THIS SPACE, we will update you on our plans in next months' newsletter.

We are so blessed to have such a hard working team helping facilitate the big pack up of the Home. We were able to donate most of our house items to an organisation near Mfuleni, who support families, children and the elderly who are in need. They were blown away by gratitude, and have said that everything that they have received will be put to good use. It really is more blessed to give than to receive.

KEEP SWIPING: we currently have **67 supporters** who have Nthando Home as their beneficiary. And in this last year, you have raised R4842.38. WELL DONE SHOPPERS! We would like to double our support base in the next year (September 2015), so spread the word and keep swiping those cards.

Praise God, in the last

31

months we have cared for

19

beautiful children. Out of these 19 children: 9 were fostered, 4 went to a longer term place of safety, 1 was reunited with his mom, and 5 were adopted (3 nationally and 2 inter nationally).
